VOLUME XXI

PUBLISHED BY THE SENIOR CLASS
HIGHLAND SPRINGS HIGH SCHOOL
HIGHLAND SPRINGS, VIRGINIA.

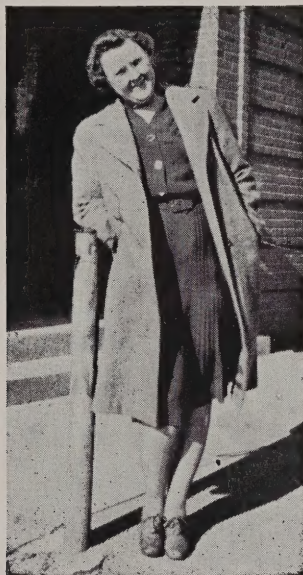

*"Alma Mater, we'll remember the things that you've taught;
They'll strengthen our courage to do what we ought."*

FOREWORD

Realizing that time dims our memories and not wanting to forget even one minute of our high school years at Highland Springs, we, the class of '41, have tried to record some of the most important hours of our senior year.

In years to come, if the *Highlander* brings to your mind a bit of the joys and sorrows of these, Our Golden Days, we shall be fully repaid for our work.

DEDICATION

We, the Senior Class of '41, wish to dedicate the *Highlander* to our sponsor, Mrs. Hughes, who with her love and kindness has watched over us for the past two years. Her leadership and guidance have served to unite us. With these thoughts in our hearts and mind, we dedicate to her our book in memory of the Golden Days spent here!

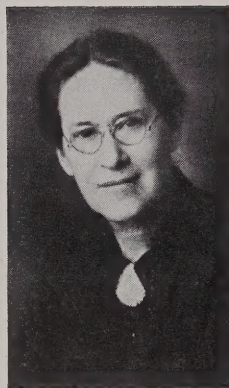

THE SENIORS.

ACTIVITIES

They look pretty good to us.
Sandston's layout.
And we hope they win.
When playmates get together.
The blondes talk it over.

He left us for this.
Which of these three makes the crowd?
Three native springers.
No wonder the boys like to come to
school.

When Tubby Gibbs draws the crowd.
Seniors on parade.
Two of a kind.
We study out on the lawn.

Our old Alma Mater.
Good advertising.
Spectators.
All girls.

3. Charlie Dowdy because he shines in every sport in which he participates, especially against his alumnus brother.
4. Mary, Jack, Virginia, Verda, Carolyn, and Laura because their literary work went to Charlottesville for the first time in several years.
5. Hartwell Burton because he took second place in the javelin throw in the district meet, throwing the javelin for the first time.
6. The actors and directors of the one act play because they took first place at the district meet.
7. Burgess Bosserman because he hit the only home run of the '41 season.
8. Margaret Orange and Elaine Spence because they got forty dollars worth of ads in one day.

Hall of Shame

1. Jack Christian because he wants to go to Farmville State Teachers' College.
2. Roy Reams because he never could be made to put a part in his hair until the love bug nipped.
3. Ruby Stewart because she has to be made to part with her gum every day in Chemistry.
4. Maxine Eggleston: She went to the dentist six times but wouldn't show Mrs. Hughes her teeth when she came back.
5. Raymond Hunt because he insists that he is the most muscular man in school, but no one can ever find that muscle.
6. Bissell Rogers because he helps the girls knit for the Red Cross.
7. Ruby and Charlie for the picture of them that was floating around school.
8. Evelyn and Charlie because they act so childish in Chemistry class—she takes Charlie's shoes off.
9. The whole baseball team because they acted so foolish in the auditorium April 3.
10. John Adams, President-elect of S. C. A., because he insists that he is not taking Academic work, he is College Preparatory.

JACK CHRISTIAN, OUR PRESIDENT, ADDRESSES CLASS

Now that our Senior Year at Highland Springs is drawing to a close, I'd like to take this opportunity of expressing my appreciation to the class for choosing me for your Senior President.

After June 6, we will never meet again together as a complete whole. Perhaps that is best. The complete whole will remain in our memory—the hard working—fun-loving class of 1941.

JACK CHRISTIAN.

FROLICS OF VERDANT FRESHMEN

Though we were called verdant Freshmen, we weren't so green, for we were allowed to organize with Mrs. Wingfield as our sponsor at the beginning of the year and this had not been done for a number of years. The outstanding feature of our Freshmen class was the trip we took to Williamsburg. Although from our actions one would think some of us should have remained here but we all returned for another year of fun.

Dear Seniors:

The Student Cooperative Association and its sponsors will remember this year's Senior Class as the class who backed the S. C. A. 100% strong. We'll never forget the zip and go you put into any S. C. A. activity with which you were connected, and you were connected with most of them.

We've counted on your support—your loyalty and your well-directed criticism. And, thank you, Seniors, for—more than anything else—the high standards you have set for all the offices you have held.

Sincerely,
L. GILL,
M. TAURMAN.

JIBES OF JOLLY JUNIORS

As jolly Juniors we spent our jolly times at the Junior-Senior Dance and also at the dance Mrs. Hughes gave for us. We worked together under the leadership of Mrs. Hughes, who was elected to sponsor us during our Senior Year.

SCRAPS OF GAY YOUNG SOPHOMORES

What more outstanding than the scraps and quarrels of a Sophomore, but our sponsor, Miss Gilliam, served as an arbitration board through it all. During this year we went to Washington and also on a picnic to Curles Neck Farm.

SENTIMENTS OF GRAND OLD SENIORS

We all agree that our Senior Year has been the best of the four we spent at Highland Springs. As Seniors we helped carry the burden of the school and thoroughly enjoyed doing it. As we leave our Alma Mater the memory of the happy days spent here will remain with us always.

MRS. HUGHES BIDS US FAREWELL

Dear Seniors:

At this time all of you are excited and thrilled over your prospective graduation; but I am pretty sad over the thoughts of your leaving Highland Springs.

You have been "sweet kids" and you will leave an empty space in the student body. I love you individually and as the class of '41, not for yourselves alone but for the ideals for which you have stood. Keep those high ideals, they mean more than riches or fame. Be yourselves, loyal, true, fun-loving and unsophisticated—we all love you that way.

There is great advantage in living in your midst. I need not say "good-bye", I need only to say "I'll be seeing you soon!"

Remember, I'm wishing the best in life for each of you and expecting great things of you, my Seniors. Devotedly, your sponsor,
MARY G. HUGHES.

THE STATE MEET AT CHARLOTTESVILLE

By Melvin Selden

At the track, field and literary meet at Charlottesville, there were seventeen (17) schools from all over the State of Virginia participating in these events. Due to elimination at the District Meet, Highland Springs public readers, speakers, and spellers did not go to the State Meet; however our track team which had secured second place, and the school play, which had taken first place in the District Meet, attended the State Meet at Charlottesville, Va., held on May 9th and 10th. Our play was given Friday morning and we were very glad to hear that it had taken second place with Glen Allen's play taking first. The track meet was Friday and Saturday, the field events held on Friday and the running events were on Saturday. In the field events we scored three (3) points with Captain Charlie Dowdy getting second in the broad jump and in the running events we scored five (5) points with Herman Allen taking second and John Watson taking third in the 220 low-hurdles. These eight (8) points, however small, gave us fourth place in the State Meet; first place was taken by Handley High from Winchester with 35 points; second place was taken by Big Stone Gap, with 25 points; third place was taken by Oceana with 13 points, and fourth was taken by Highland Springs with (8) points.

Our track team consisted of the following boys and their events: Captain Charlie Dowdy, 100, 220, broad jump, high jump and discus; Herman Allen, hurdles; John Watson, 440, and hurdles; John Adams, 440, and 880; and Melvin Selden, 100, 220 and 440. These were

the only five boys taken to the State Meet and we are proud of our fourth place and the student body is also. but next year we hope to have a larger and better team to send to the State Meet, and hope that we may win first place.

SENIORS OF '41

I

Seniors of '41
You've almost finished your trip.
You've traveled over many fields,
And "captained" many ships.

II

Perhaps you were hurt or disappointed somewhere on the way.
But from them you have profited
And you're wiser by far today.

III

Just remember as the time draws near
For you to bid adieu—
That those who have financed your trip
Are mighty proud of you.

IV

They forget the many sacrifices and efforts they have made—
Because you have accomplished much
And by that they are repaid.

V

Then think of the friends you will leave behind
When on that other trip you start
Please do not forget them—
Because of their life you've played a great part.

VI

And when the farewell address is over—
And the last diploma given
We'll salute and take "hats off to you"
Because through all your "ups and downs"
You've come smiling through!

MABLE BURTON—'35
